**BANGLADESH INSTITUTE OF INTERNATIONAL
AND STRATEGIC STUDIES**

1/46, Elephant Road, Dhaka.

The Bangladesh Institute of International and Strategic Studies is an autonomous centre for research and deliberation on international affairs, foreign policy, strategy, development and related matters.

It is a research institute established in 1978 with the objective of undertaking, encouraging and promoting independent research for advancing analytical understanding of major aspects of international and strategic affairs.

Objectivity and independent thinking as the greatest need for research work are the motive force behind the origin of the institute and its functioning.

The institute's activities are aimed at conducting and promoting independent research, deliberation and dissemination of objective knowledge in the field of political, socio-economic and other relations between nations in regional and international perspectives.
