**The Bangladesh Institute of International and Strategic Studies (BISS)** is a statutory institution established in 1978 under the administrative control of the Ministry of Foreign Affairs, Government of Bangladesh, for undertaking and promoting research and deliberation on international affairs, security and developmental issues.

The priority areas of the Institute's research activities are : foreign policy, security and strategic issues with specific relevance for Bangladesh; regional, inter-regional and international cooperation; sustainable development with focus on resource management and environmental issues; conflict studies, peace keeping, disarmament, non-proliferation, and area studies.

Contemporary issues of South Asian politics, security and development are the focus of research activities of the Institute.

Ethno-religious issues, regional and sub-regional cooperation, globalization and environmental issues are of special research interests.

Problems of institutionalization of democracy, economic liberalization, trade and investment links, challenges of governance and strengthening the civil society receive significant scholarly attention.

The general guidance and superintendence of the affairs of the Institute vest in a Board of Governors, headed by a Chairman and consisting of representatives of ministries, armed forces, academics and professionals. The Director General is the Member-Secretary of the Board and Chief Executive of the Institute. The main activities of the Institute are carried out by the Research Faculty consisting of a team of full-time researchers with varied social sciences background.
